

Frequently Asked Questions

Where does this summer conservatory program take place?

Both intensive tracks (performance and technical theatre) will take place at City Springs Theatre Company's Studios located at 8601 Dunwoody Place, Suite 136, Sandy Springs, GA 30350. If you type City Springs Theatre Company into Google Maps or Waze, it will take you right to our suite location. Otherwise, follow the signs! All performances and tech days (tech days to be determined soon) will take place at the Sandy Springs Performing Arts center in the Studio Theatre located at 1 Galambos Way, Sandy Springs GA, 30328.

When will we know if our child was accepted into the program?

Everyone who auditions will be notified by email no later than Friday, March 29th regarding their acceptance into the program.

What if my child is not accepted into the program?

Our goal is to work with as many students as possible; however, our capacity is limited by the space we have and number of costumes. We do hope to keep you on our mailing list for future endeavors with our education program as we enter the Fall Semester! There will be lots more opportunities in the Fall!

How many students will you take per track?

The Performance track will accept 50 students and the Technical Theatre track will accept 20.

What if my child needs medication during the day?

We will have full-time staff members on site (not a nurse) to help your child with medication. You must provide a standing order from your doctor with instructions. Students may carry inhalers or epi-pens with doctor and parent permission.

How do I buy tickets to the show?

We will have more information regarding tickets to the show once your child is accepted! More soon!

What does my child need for the intensive?

Your child will not need much for the intensive! Both girls and boys will need jazz shoes for the production and proper undergarments, including tights for the girls.

How much does intensive cost?

The cost for our 3-week summer youth conservatory summer musical varies by track. The Performance track is \$900.00 and the Technical theatre track is \$750.00. A \$300 Deposit will be due no later than Friday, April 12, 2019 and full tuition is due on or before Friday, May 17, 2019.

Why is the technical theatre track less expensive than the performance track?

The technical theatre track is slightly less than the performance track because we will need to supply costumes for *Frozen Jr.* It is assured; however, that our students will receive the same high-quality experience in both tracks.

Is financial Aid available?

Yes! Please click on the link on our website to fill out our Financial Aid form! We will offer limited, partial, needs-based financial aid.

What if I can't pick my child up until 5pm when I am done with work?

Great news! We offer an after-care program for your child where we will keep a faculty member with them for an extra hour after the intensive, if you need more time to get to our studios. After-care rates are an additional \$5/day, \$25/week, or \$75/entire intensive. You can select how you would like to pay.

Is food provided?

We will not offer food for lunch during the week, but we do have a refrigerator, microwave, coke vending machine, and snack vending machine available. We will have a one hour each day, so please plan accordingly in packing lunches for your child.

Is transportation to and from the summer intensive provided?

We do not offer transportation to and from the intensive.

Who can I contact if I have further questions?

If you need more assistance, please contact Jenna Gamerl, our Education Manger at jenna@cityspringstheatre.com or 404-477-4365. Thank you!
