## WHAT TO PREPARE

### • Vocal Audition

- Please prepare two (2) contrasting songs of 32 bars from any musical. ONE SONG MUST BE A PRE-1965 GOLDEN AGE SONG AND IF YOU HAVE AUDITIONED FOR US IN THE PAST, PLEASE SELECT A NEW SONG. These songs must be contrasting and tell a story.
- Students must provide sheet music and bring your audition book in case asked to sing additional material. An accompanist will be provided.
- There is no dress code for the vocal audition.

### • Acting Audition

- Please prepare a short monologue no more than one minute in length. Monologues can be musicals, plays, TV shows, movies, cut from a scene, etc.

### • Dance Audition

- Students will learn a short ballet combination as well as a short jazz dance combination. All students are required to participate in the dance audition. Please bring ballet and jazz shoes. No tennis shoes allowed.
- Students will be asked to show us a very short tap step which we will teach as well as demonstrate time steps. Students are not required to have tap shoes until they are accepted into the Pre-Pro Company.
- Dress code for the dance audition is all black.
- We encourage students of ALL levels of dance to audition!

Students MUST fill out a questionnaire prior to their live audition. This form will help directors get to know the students and better understand each students' goals and experience. At CST Conservatory, we are looking to cultivate holistic artists and these questions are an important part of company placement and curriculum building. The questionnaire will be sent once the student signs up for an audition.

### Please bring the following
