## **Cady Heron**

Arrives at North Shore High a clueless transfer student but is quickly wrapped up in brutal social politics. Though at her core Cady is levelheaded, self-assured, and kind, when she goes undercover with the Plastics, she becomes unrecognizable.

## **Regina George**

The undisputed Queen Bee of North Shore High School, and she knows it. She's confident, clever, and completely unbothered by anyone else's opinion. While Regina purposefully manipulates everyone around her (including her own mom), at her heart, she's trying to fit in, just like everyone else.

## **Gretchen Wieners**

Regina's stressed-out second-in-command. As much as Regina appears not to care what people think, Gretchen cares very much, and she's especially paranoid when it comes to Regina. She takes the Plastics very seriously and is completely controlled by Regina, until Cady comes along.

## **Karen Smith**

Co-chair of the Student Activities Committee and Janis's best friend. Damian is smart, witty, and confident and occasionally serves as the show's narrator.

## **Janis Sarkisian**

Cady's parents.

**Mrs. George**

Desperate to be a "cool mom".

**Mr. Duvall**
