

CHOICES, DECISIONS, MATERIALS, AUDITIONS, QUESTIONS

JUNE AND JULY SUMMER SESSION 2026

In the summer, students will begin to identify and prep their materials for pre-screen auditions, which take place in early Fall. Students will review school requirements, create spreadsheets to stay organized, make deadlines, and have dedicated study halls, with access to College Process coaches to ask questions and plan. Then, they will transition to confirming their pre-screen selection near the end of the summer, narrow down their school selections, participate in group coachings, attend Q&A sessions with top colleges around the nation, and begin their individualized consult sessions.
